Youth Development Grant Application

The members of the Surrey Fire Fighter's Charitable Society recognize the value and importance of the work performed by the members of Surrey Parks Recreation and Culture. In recognizing the positive impact your programs have on children and teens we are please to offer our assistance.

The Surrey Fire Fighter's Charitable Society has a limited amount of funds available for Surrey Parks, Recreation and Culture programs that benefit the youth in our community. Applications will be reviewed quarterly and consideration will be given to requests that have the greatest impact on the youth and community.

Example: consideration will be given to help purchase equipment, provide access to facilities, transportation, nourishment, registration fees for low-income families, or activities for children, or teens. Applications are not limited by the above example but all requests should have a direct benefit for children or teens and provide a benefit to those that have the greatest need.

Requests should be in the range of \$100.00 to \$2,000.00 and be for a specific purpose.
